## *Project Christmas House*

Project Christmas House is a project of the Purchase District that builds a house every year for families that have lost their homes due to natural disasters and who fall through the cracks of conventional help. This year's Christmas house will be built on stilts, which is a new challenge for the team. We need **Every Church** to help. The ways **We Need Your Help** are:

- \* **Prayers** - please pray for this project, funding, workers, etc.
- \* **Payers** - we need \$40,000 to assist with building the home
- \* **Players** - those who go and serve on the job site (carpenters, laborers, electricians, etc.)

**We need all who are willing to give of their time from 1 day to 1 week.** Bring your family and show your children what Christmas is truly about.

- \* **WHO:** All who can
- \* **WHAT:** Build a **Home**
- \* **WHEN:** Dec. 26 – Dec.31 or Jan. 1
- \* **WHERE:** Hattiesburg, MS
- \* **WHY:** Servanthood

Please make checks **payable to the Purchase District**, write "*Christmas House*" in the memo line, and mail it to 2285 Jack Treas Rd., Kirksey, KY 42054. **We need the funds no later than December 13<sup>th</sup>, 2018.**
